

Clergy Consultations 2017

Clergy should turn in their Pastor Profile by no later than November 1st to the Green Country District Office. Each church you serve should have their Church Profile and clergy assessments turned in by no later than November 1st. The SPPRC chairperson should send these directly to the District Office with all appropriate signatures. They can be either mailed, faxed, or scanned and emailed. These are not turned in at Charge Conference. I prefer that they be filled out sometime in September to October since this will provide an opportunity to include how the fall has started out.

If there is a reason that you cannot meet on the date scheduled, please contact Emery as soon as possible so that an alternative can be worked out. Emery is willing to make a special effort to accommodate our bi-vocational clergy.
